

ARABESCATO MARBLE

Arabescato marble is a luxurious and highly sought-after material that is sure to make a statement in any design project. Extracted from the Italian quarries in the Tuscany region, this marble is distinguished by its dramatic dark grey veining formed in a unique chain-link pattern. This veining pattern sets Arabescato apart from other members of the marble family, making it a highly prized material for a variety of interior and exterior design projects.

Arabescato marble's versatility is one of its greatest strengths, making it a popular choice for both commercial and residential applications. In commercial settings, it is often used in high-end hotels, luxury retail stores, and other sophisticated spaces, creating a sense of elegance and sophistication that enhances the customer experience.

In residential settings, it is a popular choice for benchtops, vanities, and flooring, where its stunning appearance and unique veining pattern can add a touch of luxury and sophistication to any space.

One of the benefits of using Arabescato marble is its versatility in complementing a range of design styles. Its white background and dark grey veining can create a clean and modern look that can work well in contemporary spaces, while its natural beauty and elegance make it a great fit for more traditional or classic design styles.

With a range of finishes available, including polished or honed, this marble can be customized to the specific needs of any project.

Whether used in a commercial or residential space, Arabescato marble is sure to make a lasting impression.
