

CALACATTA GRIGIO MARBLE

Calacatta Grigio is a natural stone that is known for its luxurious appearance and high-end appeal. It is a stunning feature that can add value and sophistication to any installation, whether it's a residential or commercial project. This beautiful marble features a cool grey-white background with subtle veining in shades of grey and taupe, making it a versatile choice for any design aesthetic.

One of the most popular uses for Calacatta Grigio is as a benchtop in kitchens and bathrooms. The unique veining pattern adds elegance and character to a space, making it a popular choice among homeowners and interior designers.

Calacatta Grigio can also be used as a feature wall in living rooms, foyers, and bedrooms. The natural beauty of this marble can be showcased in large slabs, creating a focal point in any room. The subtle veining of Calacatta Grigio adds depth and dimension to walls, making them appear more textured and interesting.

For those looking to create a luxurious and sophisticated bathroom, Calacatta Grigio is an excellent choice for shower walls and floors. The cool, calming colours of this marble create a spa-like atmosphere, while the unique veining adds visual interest.

Whether you're looking to update your bathroom, create a Feature wall, or install elegant benchtops or splash backs, this beautiful natural stone is the perfect choice.
