

CEPPO DI GRE LIMESTONE

Ceppo di Gre Limestone is a natural stone that is highly valued for its unique and striking appearance. This limestone features a distinctive texture with irregular, organic patterns that create a sense of depth and movement. The stone's colour palette ranges from light to dark grey, with flecks of white and black throughout, giving it a beautiful and complex look.

The Limestone's texture and colour variation make it an excellent choice for those looking to add character and depth to their spaces.

When used as a flooring material, Ceppo di Gre Limestone creates a beautiful and sophisticated ambiance. Its neutral tones make it easy to co-ordinate with various colour palettes, and the stone's unique texture adds an element of visual interest to any room.

It's also an excellent option for accent walls, fireplace surrounds, and bathroom vanities, where its unique and natural beauty can be showcased.

Overall, Ceppo di Gre Limestone is a stunning natural stone that is sure to make a statement in any space. Its unique texture, colour variation, and durability make it a popular choice for homeowners and designers who want to add luxury and sophistication to their interiors.
